ATTENTION!!! To all those skippers who made the time, and the effort to travel to Kingston ... for the 2014 IOM Canadian Championship Regatta.

We did it again!! What a great regatta guys. Thank you soooooo much for helping me to execute such a fine event.

For all the care to come prepared, thank you. For jumping in when help was needed, thank you. For being kind to our Judge and jury but minding the rules and sailing clean, thank you.

Many of you traveled a long way to come and play in our waters and it is participants such as yourselves that make my job easier as a regatta organizer. I appreciate everyone's efforts to compete hard and have fun. You were all good sports, in spite of the one day of torrential rain. (which we do not order special for the Kingston regatta, btw) Your dedication to the sport and the IOM class, is.... classy.

I again enjoyed chairing this event and hope that some of you might join us again next year for the Eastern Regional IOM regatta. Without the participants, regattas would not take place.

Iain and Hugh, please forward this to Will and Logan, it was great to have them join our fleet. Welcome to the IOM Fleet gentlemen!!
