11 skippers just completed day 2 of the Region 5 IOM Championships held at Burke/Crenshaw Park in Pasadena, TX. 45 Races were run over the two days which included 6 drops. 27 on day 1 and then balance today. Unbelievable conditions were experienced during the two days with only two course changes the whole weekend. Winds were steady from 5-10 pretty much both days. No protests held and all skippers handled any altercations on the water. Please see final standings attached. Congratulations to [Chris Macaluso](#), [Baron Bremer](#) and [Gary Boell](#) for some outstanding sailing. Thanks also to those who traveled in from Washington, Florida, California, Louisiana and all areas of Texas. I am now calling it a day. WHEW!!!!!! Mark Cooper
